DETAILED ACTION

Allowable Subject Matter

Claims 1 – 13, 15 – 18 and 22 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to claims 1, 12 and 22, the prior art does not teach or render obvious the total combination as claimed including a keyboard arrangement including several keys for inputting characters by pressing the keys, the keyboard arrangement comprising a processor to perform a first comparison of a combination of previously inputted characters and the at least one first selected characters to a storage of words of a defined language and to accept one of the at least one first selected characters as a desired character if the first comparison is successful wherein the processor is further operable to automatically perform a second comparison of a combination of previously inputted characters and at least one character that is related to the pressed key and not one of the first selected characters and not indicated by said sectional distribution to the storage of words if and only if the first comparison is unsuccessful.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
